GOSPEL REFLECTION:

We often forget that a unique characteristic of our faith is that the biblical God is a God who speaks! He writes on the heart and makes his words resonate there. God does not have a mouth or breath, but the prophet is his mouth and the Holy Spirit is his breath. "You will be my mouth," God says to the prophets, "I will put my word on your lips." This is the meaning of the phrase "human beings moved by the Holy Spirit spoke under the influence of God" (2 Peter 1:21). Just as our mind originates thoughts and concepts and translates them into words, so God sends his message that is translated into human words, which is then impressed upon the prophets' mind. This is God's way of speaking that is addressed to the mind and heart. So alive and real is God's speaking, that the prophet recalls with precision the place, day and time that a certain word came to him. For us, the word of God that the prophet speaks is like a seed planted in our mind that can grow and blossom into new ideas and understanding that move us to deepen our faith, grow in love and perform deeds of charity.

Why not send a loved one a Mass for a special intention. It's a Catholic tradition that is almost as old as the Church itself. Yet, it is one of the most commonly misunderstood practices in our faith. Though we often think of having a Mass said for those who have passed away or are ill, Masses can be offered for those who are still alive, "for the living and the dead, for sins, punishments, satisfactions, and other necessities." In other words, if you know someone who could benefit from the spiritual graces that come with having a Mass said on their behalf, there is no need to delay in doing so. Masses can be said for birthdays, anniversaries, in celebration of the reception of the sacraments, or for prayers that have been answered! Want a specific date, weekday or weekend? The usual stipend is \$20.00 call the Parish Office to make arrangements, we can provide a card that you can send to your loved ones.
